ASTD CERTIFICATE PROGRAMS

ASTD brings its Certificate Programs to you!

Hosting an ASTD Certificate Program at your own facility gives you the flexibility and convenience to meet the learning needs of your employees. You can provide your entire staff with a foundation and understanding of how to help your organization achieve its business goals. ASTD will deliver the same quality two or three day seminars at your location, using the same expert facilitators used in public seminars.

Benefits of onsite learning:

- Save on travel expenses
- Accommodate the busy schedules of your employees
- Speak openly and confidentially about proprietary organizational issues
- Discuss your organization's specific needs with expert facilitators

To host an ASTD Certificate Program at your organization, contact Elizabeth Hannah at:
ehannah@astd.org or 703.683.8104
